## TEAM ENDURANCE EVENT

hosted and organised by

**ENDURANCE GB**

Endurance GB is hosting and organising a series of qualifying rides for the above event, culminating in a final in September 2010.

This Team Event is an opportunity for you to come along and try endurance riding in the company of your friends and colleagues. Teams can be made up of three to six riders. You don't need any special equipment, particular breed or type of horse to get started, just you, your horse and your normal riding tack.

Qualifying rides are about 32km (20 miles) and are in beautiful areas of the country, very often over private land. There are 12 qualifying rides in all, with at least one in each of the Sport England Regions.

The Final will be held in September at Southwell Racecourse in Nottinghamshire, where the finalists will have the opportunity to complete the competition by riding down the all weather track to the finish line.
